- 4 Clubs should be encouraged to participate at all the levels of Age Group Competitions
- 5 South African participants must be registered with SSA and have competed in competitions to ensure that their times for entries are on the National Database.
- 6 Visitors must forward a clearance to compete. Their entry times must be verified.
- 7 If, due to weather conditions, any section of a swimming program cannot be completed the following will apply:
 - 7.1 On the final day of the competition, if the Finals cannot be completed, the Final results and Medals will be awarded as per the results of the Heats.
 - 7.2 If on any of the other days, the Finals cannot be completed, due to time constraints, the Finals will either be rescheduled or the results awarded as per the heats results.
 - 7.3 If circumstances require, any part of the program may be swum as timed finals.

*** 2013 - 2013 Qualifying Times Notes.**

The SSA policy is to adjust our qualification times every four years, situations may arise that require adjustments to be made at the end of each season to ensure our times are in line with International standards and in congruence with the Long Term Participants Development framework.

Participation at the 2013 Level 2 and 3 Age Group competitions, will be dependent on the swimmer having participated in a minimum of two (2) 200m or 400m Individual Medley events or a combination thereof. These times for the 200m and 400m Individual Medley events must be official and be captured

on the SSA National Database. The nominal purpose of this rule is to encourage younger swimmers not to specialise in specific strokes at too early an age as part of our Long Term Participant Development programme. It is not compulsory for the swimmer to compete in the 200m or 400m Individual Medley event at the Championships.

There are no 50m Qualifying times for the S A National Youth competition. Swimmers who wish to enter 50m distance of an event, must have a qualifying time in the 100m or 200m in that particular stroke, e.g. to qualify to enter 50m Breaststroke the swimmer must have a qualifying time for either the 100m or 200m Breaststroke.

Swimmers 10 years and younger are encouraged to swim Level 1 even if they have qualified for a higher level. Similarly, swimmers 11 years with Level 3 times are encouraged to swim at Level 2. The choice however is left to the individual and their advisors.

Please note that the swimmers age is at the first day of the competition and pre-season goals and targets should be set in accordance with the rules and dates of the competitions. Swimmers may only compete at one SSA National / Regional Age Group Championship.
